Reissue Applications

The petition under 37 CFR 1.48(a), filed 8/27/03, to correct inventorship in the instant reissue application 09/992,612 is improper and is hereby DISMISSED. The petition fee of \$130.00 has been refunded.

The failure to name the correct inventive entity is an error in the patent that is correctable under 35 U.S.C. 251. The reissue oath or declaration pursuant to 37 CFR 1.175 must state that the applicant believes the original patent to be wholly or partly inoperative or invalid through error of a person being incorrectly named in an issued patent as the inventor, or through error of an inventor incorrectly not named in an issued patent, and that such error arose without any deceptive intention on the part of the applicant. The reissue oath or declaration must, as stated in 37 CFR 1.175, also comply with 37 CFR 1.63. Such a declaration was filed 5/17/05.
